119583

Training Center

This card certifies the holder has demonstrated the required knowledge and skill objectives to a currently authorized ASHI instructor. Certification does not guarantee future performance, or imply licensure or credentialing. Course content covers all age groups and conforms to the 2010 AHA Guidelines for CPR and ECC, and other evidence-based treatment recommendations. Certification period may not exceed 24 months from class completion date. More frequent reinforcement of skills is recommended.
