**Disclaimer**

All currently enrolled students who first attended Yavapai College in Fall 2010 and students who are using the 2010-2011 or later catalog to fulfill their degree requirements can use DegreeWorks. Students are encouraged to use this degree audit report as a guide when planning their progress toward completion of the above requirements. Students who maintain continuous enrollment at Yavapai College may elect to graduate by satisfying degree requirements as listed at the time of admission, at the time of graduation, or at any time during the last period of continuous attendance. Continuous attendance means enrollment in the regular session (fall/spring or spring/fall) of each academic year. An academic advisor may be contacted for assistance in interpreting this report. This audit is not an academic transcript and it is not official notification of completion of degree or certificate requirements. This degree audit does not establish a contractual relationship but summarizes the total requirements which students must presently meet before qualifying for a faculty recommendation to the District Governing Board to award a degree or certificate.
